WULFS *Warbonnet* 6254W

4/10/09 - **HOMO Black** - **HOMO Polled** - Purebred
 S: Wulfs Nobel Prize 3861N MGS: JCL Lodestar 27L
 bw: 96 - adj. ww: 812 (116.7) - adj. yw: 1,364 (110.5)
 sc: 35.28 - urea: 18.62 (114.6) - ufat: .23 (104.4)
 uimf: 2.56 (95.6)

Warbonnet was the lead bull in the 2010 Wulf sale. He also led the breed by scanning the largest REA—25.28—at the 2011 National Western. His impressive numbers, reliable performance, dynamic phenotype and predictable pedigree make him the obvious sire of choice. Muscle up your 2012 calf crop with Warbonnet.

4/27/09 - Black - **HOMO Polled** - 50% Lim-Flex
 S: MCC New Dawn 4023
 MGS: MINE Polled Drydock 004H
 bw: 100 - adj. ww: 1,049 - adj. yw: 1,350
 urea: 17.18 - ufat: .38 uimf: 3.60

Down size cows, increase performance, maintain muscle and gain the benefits of a 50% Lim-Flex with Spring Wulf Creek. We admire him for his power, huge scrotal and unique ribeye to marbling ratio. He charts an impressive 1,049-lb. weaning weight and measured a 43-cm. scrotal at nine months of age. We are confident in what he brings to the table and think he will be a big-time female-maker.

 S: ASRL Solar 26S
 MGS: COLE Wulf Hunt
 bw: 101 - adj. ww: 730 - adj. yw: 1,309

Do you prefer using red bulls that are full of red meat and have the overall balance to sire industry-accepted cattle? Wulfs Lyon King fits that bill. He has the performance, look and built-in genetics to get the job done. Plus, every calf will be polled. He will work well on cows that need more guts.
